Course: Math Intervention for Upper Elementary Students
Instructor: Sandra Leahy
Grades: Upper Elementary Grades 3-5

Class Description: Escape Rooms, projects, games- math intervention is fun! During this class, upper elementary students will receive targeted instruction in specific mathematical concepts. Each month we will concentrate on a topic such as multiplication, division, fractions, word problems, place value, decimals, area and perimeter, probability, etc. This is a highly interactive and fun way to learn math.
Supplies/Materials: pencil, glue stick, crayons, scissors and folder
Tuition: $25 per month (Discount for multiple classes or students**)**
Supply Fee: $10
Time: 1:30-2:25
Dates: 1/9-5/14/20
