

Course: Science/Nature - The Animals and Plants of Winter & Spring – Morning Class

Instructor: Rebekah Hair

Grades: PreK – 2nd

Description: We will read and learn about polar animals, animals coming out of hibernation, birds in winter, insects & baby animals in spring, flowers, rainbows, spring showers, etc. There will be stories, snowy/cloud/rain experiments, and/or crafts, as we go through this fun, hands-on class!

Tuition: \$90.00

Dates: 1/9/20 - 5/14/20

Time: 10:00-11:00
